I brought a box home from the EC open house, but can't recall if we have any filter facts sheets in the box. I'll check when I get into the office a bit after 9am today.

Phillippa: Thanks for attaching both versions of the filter fact sheets. Miguel will be attending the listening session tonight.

I believe Peg spoke to the event organizer Denise Abdul-Rahman last week about water filters and providing demos on proper use. I think you have the filter fact sheets (English and Spanish versions) we provided at the January 28 meeting (adapted from the Flint filter fact sheet) but I'm attaching in case you don't and need to make copies.
